## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-5 and 7-15 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose a Gunter analysis graph generating sub-module for transforming the mold part order scheduling charts into Gunter analysis graphs, which illustrate a distribution of each part order in corresponding machines. The allowability, at least in part, resides in this fact.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
